KALOS STONE

Kalos Stone, inspired by a linear Greek stone, gives the impression that it has stood the test of time and watched man forge art and philosophy. It is not difficult to imagine this stone hidden among ancient city dwellings overlooking cobblestone courtyards on the Mediterranean Sea's edge.

The beauty of this collection is simultaneously awe-inspiring and inviting. This stunning Easy Luxury Rigid Core 12"x24" stone look has been updated to offer a fresh palette of modern colors: Blu, Bianco, Cenere, Grigio, and Nero.
