# CALACATTA

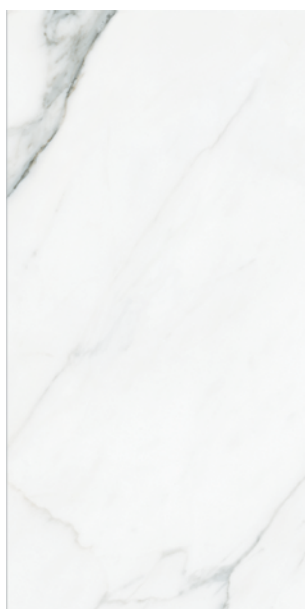

Happy Floors' Easy Luxury Rigid Core Calacatta collection gets its name and stunning visual imagery from the world's most famous marble. As the first marble-look collection in the Happy Floors Easy Luxury range of products, Calacatta impressively stands up to its sister collections. What makes this collection special are its crystalline embossing and the wide variety of faces which give it a refined look and an impressive visual variety.

The Calacatta collection has impressively realistic neutral gray veining that stands out boldly from its pure white background. Its two sizes: 12x24 and 18x36 offer a traditional and a contemporary option flexing this collection's ability to fit into a variety of jobs.
