# SILVER

Our Silver collection is a contemporary-look, luxury porcelain tile that's inspired by vein cut silk georgette. This marble-look gives its audience both an everlasting elegance and suave impression. Its organic linear veining and subtly sanded texture replicate the stone as it's found in nature.

This collection thrives on any living room, kitchen, or office that it might land itself onto. As well as having two cool and warm tones to choose from, this collection can capture the hearts of any who wishes to pursue Silver's charm.
